Dear Ms. Nelson,

I received your request to have your premises number permanently removed from the NAIS database.

The process that I must follow is this: I email USDA and request the premises number to be removed. USDA then permanently removes you and the premises number from the database. USDA confirms completion of this via email back to me. I have attached a copy of the email I received that states premises # 005UM22 has been removed.

Feel free to give me a call if you have any additional questions. My direct line is (512) 719-0727

Sincerely,
